

## Consumables and Essential Items needed for EM

Here is a list of all the equipment/consumables that you will need when using the electron microscopes. It would be very useful if you could persuade your grant holders to order you the following (as needed):

Cu grids, 3.05mm, 200 mesh, centre mark	Agar, G2220C, £6.80 for 100
Al stubs, 10mm, JEOL type	Agar, G306, £6.75 for 50
Al stubs, 32mm, JEOL type	Agar, G318, £35.95 for 100
C sticky pads, 9mm	Agar, G3357, £7.25 for 100
C sticky pads, 25mm	Agar, G3348, £14.45 for 51
Grid boxes for 50 grids	Agar, G276A, £2.90 each
Grid boxes for 100 grids	Agar, G276, £4.90 each
Numbered grid boxes	Agar, G276N, £6.90 each
10mm stub boxes	Agar, G3104, £2.35 each
Curved tweezers, biology grade	Agar, T5131, £14.15 each
Reverse tweezers, biology grade	Agar, T5293, £15.35 each
10mm stub grippers	Agar, T5048, £9.60 each

P.S. Be very careful with the tips of your tweezers, they will bend very easily and become completely useless – and they're not cheap to replace!
